THEY DO NOT JUST WATCH

Our crowd picks sides and stays for the payoff. Three stories are still running, and every one of them brings them back.

CARTER CASH

Debuted saving Johnny Crash from an ambush. One show later he smashed Crash with a steel chair, and said nothing.

ZEAK GALLENT

Won the championship in August, then got jumped from behind the same night. Nicky Hyde held the belt over him.

MAJOR GLORY

Walked out and attacked our own cameraman. Then carried Morgana Lavey out on his shoulder.
